TS-Fellowship Training & Ariom Academy in collaboration with you

Mediumship and spiritual contact is great fun and it also gives you increased awareness of your own qualities and talents that you develop from within.

Together, Martin and AnnCatrin have over fifty years of experience in spiritual disciplines. AnnCatrin has studied energies, consciousness and the human mind for over 30 years. She is certified in Rapid Transformational Therapy (RTT), Hypnotherapy, Suggestion Therapy and Past Life Therapy, Multidimensional Psychology and Clairvoyant Consultations as well as Cosmic Advanced Meditation Technique. She also has a 2-year university education in health coaching.

Both teachers have studied mediumship at various places, including Arthur Findlay College, where Martin was a tutor for seven years.

AnnCatrin will use her extensive knowledge of alternative therapies to explain to you as a medium, how psychology, consciousness and the senses play a role as well as sharing her experience of mediumship.

Martin has taught all over the world and is adept at working with people who speak different languages through interpreters and believes that mediumship should be enjoyed and kept simple.

Both teachers want you to enjoy the course, and they hope you will take part with enthusiasm and an open mind, be prepared to try new skills and hopefully share your knowledge, whilst working in a caring and affirming environment .

When you book and the registration fee is paid, AnnCatrin will book an appointment with you where you will talk about what you want out of the course and where you stand on the subject of mediumship. All so that you as an individual get the most out of our course.
